Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Please take into consideration that The Marquee at The British Muslim Heritage Centre is a space that enables the Centre to provide important services to local communities and supports initiatives run by the Centre itself, by charities and schools. Additionally, it is used as a place of worship.

I understand it is a temporary structure which is applying for renewal. It would be a great loss to local communities, charities and schools as well as The British Muslim Heritage Centre itself for the application to be declined.

Thankyou for your consideration and understanding.
