Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to the proposal to build Tower blocks in the centre of Chorlton. Our shopping precinct, the hub of the community, has been destroyed, and needs to be replaced with local shops, such as butcher, greengrocer, chemist, haberdashery, household store, art, furniture, craft shops - in keeping with the needs of the community. We do NOT want to lose public space to residential tower blocks, which will generate more traffic in the centre of town. Please reconsider the proposal.
