Part 1 – Particulars of the application/development

Proposal: Change of use to Class E (g) (ii) and (iii) (business use) with associated 3-storey extension

Location: Unit 6 Monsall Mill, Monsall Road, Manchester, M40 8NQ

Date of application: 6 October 2025

Application number: 143306/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, and have requested additional information to ascertain if these concerns could be addressed. The applicant has been unwilling to provide this information and it cannot therefore be determined if these concerns can be overcome. Based on the submitted information the proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The applicant has failed to provide sufficient details to fully assess the proposal, as the application is lacking in details relating to the proposed end user(s), the anticipated number of employees and satisfactory arrangements for car parking and servicing. The applicant has not therefore demonstrated that there would be no adverse impact upon the existing highway network, that adequate car parking is provided for the development, that the proposed development can be safely serviced, that safe accessing and egressing of the site, by vehicles, is provided, and that there would be no adverse impact upon pedestrian safety and the amenity of local residents, due to

increased non-street parking in the vicinity of the site. The proposal is therefore contrary to policies T1, SP1 and DM1 of the Manchester Core Strategy and the requirements of the National Planning Policy Framework.

Date: 1 December 2025

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
