Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Dear MCC Planning,

I am a resident of Chorlton for 30 years.

I strongly object to the proposed development.

These tower blocks are absurdly tall, they will dominate and blight the entire town centre, completely out of keeping with the historic character of Chorlton.

The development provides no amenity for the town, just crams more people, and buildings in, using up literally all of the remaining open space.

This is clearly just an investment company trying to maximise profit with zero concern for the future of a currently lovely town.

yours sincerely, [REDACTED]
