Comment Reasons:

Comment: I support the application for the planning permission to be extended for another 3 years. This is a vital structure that is being used for various purposes aiding the community. I myself have attended a funeral, wedding and talk at the marquee over the past few years and believe that the community would be hindered as a result of its removal.

I do not believe there is any reason for this application to be rejected as it is not affecting the wider community in any negative way. It serves a purpose.

Thank you for the opportunity to comment and share my view.
