Comment Reasons:
Comment:I fully support the proposal for the local wedding hall marquee to remain open for an additional three years. The venue has proven to be a valuable asset to the community, providing an affordable and accessible space for weddings, cultural events, and family gatherings. It brings consistent positive footfall to nearby businesses and contributes to the local economy without causing disruption or environmental concerns. Allowing it to continue operating will help maintain these community benefits while giving residents and local families a much-needed venue for important life events.
