Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have been going to the marquee for over 10 years since it first opened, it has always been a place for people to gather from all across the community and it is an excellent place of worship. There have been many activities for all ages to use at the marquee and it has been an integral part of my childhood and early adulthood. Thank you
