Please note that all finishes should be installed in strict accordance with the manufacturers requirements and specifications.  
Unless otherwise stated, all images provided are for reference only and should not be considered as finish direction.  
Suppliers must confirm that all items are suitable for commercial heavy contract use and have been appropriately fire treated according to current BS Standards.  
All surfaces must be properly prepared and installed according to the manufacturers' guidelines before the application of the finish.  
For pricing information, please contact the sales representative directly to obtain the agreed project price. Any revised information will be shown in red.
