Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I support the upholding of the marquee as it has provided a place for the community to gather in safety and unity no matter race, religion and culture.

The marquee has given members of the Muslim community a chance to integrate amongst one another as well as outsiders to join with arms open to learn about the peaceful religion.

It will be a big disadvantage to the city as a whole as Manchester itself is a big melting pot and the marquee further adds to richness of the cultural city.
