Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: It is a place of worship and is essential for the Muslim community. It is a large space with a large car park that can accommodate all that enter. Objecting to this would mean spillages onto other places of worship, most not as capable of accommodating large numbers nor having available car parking. Which would cause parking on residential roads and causing traffic.
