Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The Marquee is a crucial place not just for the Islamic community in Manchester but also as a place of community gathering and solidarity. Hosted within it are Friday and Ramadan congregations which are attended by people all across Manchester (including myself from Altrincham) for the community and environment which we all cherish at the BMHC. Without such a space there simply would not be room for such events to take place which would be a great loss for our community.
