Dear Planning Officer,

I am writing as a long-standing Chorlton resident to express my wholehearted support for the One Chorlton development.

For too long, our area's centre has felt tired and underused — a place with huge potential that has been held back by hesitation and resistance to change. The One Chorlton proposal offers exactly what we've been waiting for: an imaginative, forward-looking plan that will bring life, diversity, and opportunity back to the heart of Chorlton.

This development promises a genuine mix of housing — from affordable homes for local people and younger residents to more exclusive apartments that attract new investment. That balance matters. Chorlton has always been at its best when

it's open, varied, and full of character, and this project reflects those values far better than doing nothing ever could.

The inclusion of new independent shop and workshop spaces is equally important. Small businesses and creative makers are part of Chorlton's identity, but they need modern, affordable places to thrive. This scheme gives them that chance, turning an underperforming area into a lively hub of activity and innovation.

I know there are some voices determined to oppose any and every development, but I believe their outlook is short-sighted and unrepresentative of the wider community. Progress, if done thoughtfully, strengthens our neighbourhood — it doesn't erode it. The One Chorlton plan is precisely the kind of responsible progress our area needs.

Please recognise that there is real enthusiasm and support among residents who want Chorlton to move forward rather than stagnate. I urge you to approve this application and help bring new energy and opportunity to our local centre.

Yours faithfully,
