Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I strongly support the renewal of planning permission for the Marquee at the British Muslim Heritage Centre for another three years. The marquee plays an essential role in serving the local community by providing space for Jumm'ah prayers, Taraweeh, funeral prayers, Eid gatherings, and many other beneficial community activities.

It supports the programmes and initiatives within the Heritage building and functions as an important place of worship and community cohesion. I kindly request that the marquee be allowed to remain in place so these services can continue for the benefit of the wider community.
