Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I wholly support the extension time of the Marquee on the site of The Muslim Heritage Centre and I ask the Manchester City Council to also support this.

The Marquee has provided the community of all faiths to gather in large numbers under one roof to enjoy, to listen, to exchange views and to talk to each other at a variety of events on local, national and International issues.

More importantly It has provided the Muslim community substantive and required space for prayer.
