Comment Reasons:

Comment: This place has been a source of good from the various charitable events fundraising tens of thousands of pounds across different initiatives and disaster relief globally, weddings where people have made memories together and also facilitating congregational prayers. It is a vital part of the Muslim community and taking this away only produces harm.

If concerns have been raised with regards to noise, then an initiative must be taken by those who facilitate the venue to mitigate for the problems. It is an irrational decision to remove such an important structure of the Muslim community based off of minor inconveniences which are slightly exacerbated at particular times of the year.
