Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I am seeking to support the application to extend the permission for the existing marquee for another 3 years.

This marquee is essential for those who seek to perform their prayers as well as to assist with other events held by the BMHC.

BMHC offer valuable services for the local community from talks to open days and it is essential that the Council support this work.

I would kindly request the application is accepted.

Thank you for the anticipated cooperation in this matter.
