Comment Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Dear Manchester City Council,

I hope you are well. I am writing as a neighbouring resident to express my support for the Manchester marquee and its continued operation in our area.

As an international student living nearby, I have found the marquee to be a positive presence in the community. Events are well-organised, and I have never experienced any disturbance. The venue brings life to the neighbourhood and contributes to a welcoming atmosphere.

In addition, my cousin works at the marquee, and he occasionally brings us leftover food from the venue. This support has helped me significantly as I manage my living expenses while studying abroad. I am very grateful for this, and it has made a meaningful difference to my daily life.

Overall, I believe the marquee is beneficial to the local community, and I am fully in favour of it remaining in place.

Thank you for taking the time to consider my comments.

Kind regards,
