Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: It is so useful for overflow when demand is high eg funerals, Friday prayers, community events, Ramadan. We have a great need locally and it allows us to all come together in times of need. Having grown up in the neighbourhood I have a lot of family and friends in the immediate area. Life is very busy with demands of work and family and these times are when we get to meet each other and be there for each other
