Comment Reasons:
Comment:I'd like to show my support for the renewal of the licence for the marquee at the Heritage Centre Mosque. This building has been a really positive addition for the whole community. It hosts more than sixty activities, brings people together regardlessof their background, and also serves as an important place of worship for many local residents.

It's clear that the marquee plays a valuable role in supporting the local community, so I do hope the council will approve the renewal.
