Comment Reasons:
Comment:I fully support renewing the planning permission for the BMHC Marquee. This structure is not just for events -it is essential for religious worship and community cohesion. The space is used daily and seasonally for Jumuah prayers, Taraweeh, Eid festivals, janzah prayers, educational programmes, youth activities, and charitable initiatives.

The Heritage building alone is not sufficient to accommodate these services, and the marquee ensures the community has a safe, organised, well-managed space for gatherings. Approving this application protects an important place of worship and a vital community resource.
