Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I support this application.

The marquee is essential for the British Muslim Heritage Centre to run key community activities including daily prayers, Jumuah, Taraweeh, funerals, Eid events and wider community programmes. It functions as an important place of worship and community gathering, and removing it would directly impact our local community's ability to access these services.

I strongly support the renewal of permission so these activities can continue.
