Comment Reasons:

Comment: I have lived in Chorlton since 1997 and have loved its intimacy and small village feel. However, that is severely being eroded with the size and number of high rise dwellings that are proposed here. I am not against some of the smaller current developments that are 3-4 storeys and accept that we need more housing. However, I strongly object to any development that will overshadow the beauty that is Chorlton. Therefore, I cannot allow you to go ahead with the proposed 6, 7, 8, 10 storey buildings within this plan.
