Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to these plans. I have lived in Chorlton for 55 years. Chorlton is a community. We do not have the capacity to cope with the amount of people this development would bring to the area.

We are a true green, clean neighbourhood and we cannot have these tower blocks in our centre. Think of the traffic! The cars! Where would they all go? The schools and the medical centres are already overflowing. Please think of the aging residents who would be horrified looking at these monstrosities .
