LIFT LOBBY

01	 A photograph of a lift lobby. In the center, there are four wooden-framed glass doors leading to suites. The floor is made of large, light-colored square tiles. The ceiling has recessed circular lights. To the right of the doors, a black sign with the number '4' is mounted on the wall.	View towards suite doors
02	 A photograph of a lift lobby showing three stainless steel elevator doors. The floor is covered in light-colored square tiles. The walls are white, and the ceiling has recessed lights. A framed picture of a dome is on the right wall.	View towards lifts
03	 A photograph of a lift lobby showing a single wooden-framed glass door. The floor is light-colored square tiles. The walls are white, and a framed picture of a dome is visible on the left wall.	View towards other suite doors
