Food Waste	15 week per dwelling	240	1230		5
Total				16	8

** All information based on GD_04 guidance from Manchester City Council

Proposed Refuse Strategy

A bin store is provided for use by residents. The refuse removal strategy will be managed by the building's operator. They will be responsible for taking bins from the bin store to the collection point. Bins are collected along Bendix Street rear alleyway. MCC's waste collection operator will be able to park the refuse collection vehicle on Chadderton Street.
