MANCHESTER CITY COUNCIL

# Appendix E - Waste Management Strategy (v7.00 from September 2023)

Planning Application Number:
Date Submitted:
Estimated volumes / m2 required by the development

| | |
|---|---|
| Will this property be used as a House in Multiple Occupation (HMO)? | ~~Yes~~ / No<br>(delete as appropriate) |
| If this property will be used as an HMO,<br>how many people do you intend to accommodate (5+)? | N/a |

**Low Rise Domestic – N/a**

| Waste Types | Capacity required (litres) | Number of bins required (per household) | Confirm what is to be provided (and whether the developer or the resident will be responsible for ordering these) |
|---|---|---|---|
| General refuse | 140 standard / 240 in certain circumstances | 1 x wheeled bin (possibly more for HMO) | |
| Pulpable Recycling | 240 | 1 x wheeled bin (possibly more for HMO) | |
| Mixed Recycling | 240 | 1 x wheeled bin (possibly more for HMO) | |
| Garden Waste | 240 | 1 x wheeled bin (possibly more for HMO) | |
| Food Waste | 23 | 1 x 23 litre caddy (Possibly more for HMO) | |

**High Rise Apartment Developments – N/a**

| | |
|---|---|
| 0.43m2 has been provided per apartment for the containers, with extra space for residents to access each container and space for staff to manoeuvre each container for collection.<br><br>(different for purpose-built student accommodation – see guidance) | Yes / No (delete as appropriate)<br><br>How many of each container do you plan to provide?<br>_____x general refuse x 1100 litre<br>(based on 110 litres per apartment)<br><br>_____x pulpable Recycling x 1100 litre<br>(based on 55 litres per apartment)<br><br>_____x mixed recycling x 1100 litre<br>(based on 55 litres per apartment)<br><br>_____x food waste x 240 litres<br>(based on 10 litres per apartment)<br><br>_____x garden waste (if applicable) x 240 litres |
| Is it as easy, or easier, for residents to recycle, as it is for them to dispose of general waste? | Yes / No (delete as appropriate) |

**Commercial Developments**

Please state number of bins you propose, showing calculations where appropriate.

General Waste – **There is no change to the building strategy, therefore as per existing waste management plan for the building (ref zone 6), submitted as part of the original planning application (copy attached for reference).**

**The roof terrace creation/operation formed part of the original development.**

Dry recycling (include material type details) – **As per the above.**

Food Waste – **As per the above.**

Industrial Waste – **As per the above.**

Other - **As per the above.**

| | |
|---|---|
| Has / will a contract be obtained with a licenced waste carrier? | Yes / ~~No~~ (delete as appropriate |

**Mixed Use Developments - N/a**

| | |
|---|---|
| Are the stores for residential and commercial waste completely separate from each other, with residents having no access to the commercial store and the commercial units having no access to the residential store? | Yes / No (delete as appropriate) |

**Internal Stores (Residential and Commercial)**

Please provide details of internal stores / segregation of waste and recycling.

**As per the existing waster management strategy for the building (copy attached to application – ref zone 6 for the subject building).**

**Storage Areas for Waste Containers (Residential and Commercial)**

Please provide details of container stores, attaching plans if appropriate.

**As per the existing waster management strategy for the building.**

| | |
|---|---|
| Ensure all bins in the store are accessible<br>**Fully accessible as per existing strategy** | X |
| Ensure recycling facilities are as easy to access as general refuse<br>**Recycling arrangements as per existing strategy for the building.** | X |

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation – **As per the existing building waste strategy – ref VN222272 (copy included in application submission) All Bin Stores are Mechanically Ventilated**

Hygiene – **Oversight of the bin stores lie with the On Site Building Management Team and they will ensure that the bin stores are kept clean. To help in this, hose points are provided in each of the bin stores.**

.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g., resident / management company

| |
|---|
| **As per the existing waste management strategy (copy attached with application). The commercial building is a fully managed space, with the responsibility for waste management the responsibility of the building management team.** |

Please ensure that you have attached:
**As included/detailed in the existing waste management strategy – reference Zone 6 plans.**

| | |
|---|---|
| Detailed plans of bin stores | ☑ |
| Location plans showing stores | ☑ |
| Location plans showing the proposed collection point and the route the collection vehicle will take (please refer to the Road, Vehicle and Waste Operative Access Specification – paying particular attention to turning space and reversing) | ☑ |

Please ensure that you have completed this form in accordance with the latest version of GD04 Waste Storage and Collection Guidance for New Developments – v.7 September 2023, read in conjunction with the Waste and Recycling Service Standard found on the Council website.
