

Important – Advertisement consent

Compliance with conditions

- Your advertisement consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of the advertisement regulations and this may lead to formal action.
- Failure to comply with conditions may also result in the advertisement not being lawful.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 2 – Particulars of decision

Manchester City Council gives notice that the advertisement(s) referred to in Part 1 are **granted** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Condition(s) attached to this decision

- 1) Advertisement mandatory condition
 - a. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.
 - b. No advertisement shall be sited or displayed so as to:
 - a. endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
 - b. obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
 - c. hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.
 - c. Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.
 - d. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.
 - e. Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason - In the interests of pedestrian and highway safety, pursuant to Policy DM 1, SP 1 and EN 1 of the Manchester Core Strategy (2012) and The Town and Country Planning (Control of Advertisements) Regulation 2007.

2) Specified plans

The development hereby approved shall be carried out in accordance with the following drawings and documents:

a.	Drawing - Location Plan	09 Mar 2026	PY4826-7-001	THE LOCATION PLAN
b.	Drawing - Site Plan	09 Mar 2026	PY4826-7-002	SITE PLAN

e.	Drawing - Proposed	09 Mar 2026	PY4826-7-007	PROPOSED
f.	Drawing - Proposed	09 Mar 2026	XLMCR103801E	VIEW ELEVATIONS

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to Policy DM 1, SP 1 and EN 1 of the Manchester Core Strategy (2012) and The Town and Country Planning (Control of Advertisements) Regulation 2007.

3) Advertisement display requirements

- No individual advertisements displayed on the LED panel shall contain moving images, animation, video or full motion images or any images that resemble road signs, traffic lights or traffic signs.
- No individual advertisements shall be displayed for duration of less than 10 seconds.
- Controls shall be in place to ensure smooth uninterrupted transition of images displayed on the panel.
- The display panel shall be fitted with a light sensor, designed to adjust the brightness to changes in ambient light levels.
- A mechanism shall be in place so that if the installation breaks down, it defaults to a black screen to avoid any flashing error messages or pixilation.
- The maximum luminance level of the advertisements displayed on the panel shall not exceed 300 cd/m² during non-daylight hours / inclement weather.
- The maximum luminance level of the advertisements displayed on the panel shall not exceed 600 cd/m² during daylight hours.

Reason - In the interests of pedestrian and highway safety, pursuant to Policy DM1 of the Manchester Core Strategy (2012)

Informatives

Highways licensing

This advertisement consent does not grant approval under any other legislation. The applicant is advised that any works affecting the public highway, including the use of hoarding, scaffolding, skips or other temporary structures, may require separate consent from Manchester City Council's Highways Licensing Team. Further information can be obtained by contacting highwaylicences@manchester.gov.uk.

Traffic and pedestrian management

The applicant is advised to liaise with Manchester City Council's Event and Traffic Management Team prior to installation to agree any requirements for temporary traffic

management or pedestrian safety measures associated with the works. The team can be contacted via highwaynetworkmanagement@manchester.gov.uk.

Structural works adjacent to the highway

Where any upgrade or alteration to the supporting structure involves works adjacent to, or capable of affecting, the highway, the applicant is advised that structural drawings and calculations may be required to be submitted to the Council's Bridges and Structures Section for approval (for a fee). Early engagement is recommended via highways.structures@manchester.gov.uk.

Maintenance responsibility

The Local Planning Authority and Highway Authority will not be responsible for the maintenance, repair or replacement of the advertisement display or its supporting structure. Responsibility for ensuring the display remains safe and in good working order rests entirely with the operator.

Date: 30 April 2026

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA
