You will be contacted as soon as possible if there are any points which do need discussion and every effort will be made to deal with your application as quickly as circumstance will allow.

YOUR RIGHTS AS AN APPLICANT

The letter attached records the date on which your application was validated and registered.

You have the legal right to appeal to the Secretary of State if you have not received a decision from Manchester City Council, in writing, by the target date shown overleaf.

This does not apply if you have already agreed (again in writing) to extend that period; nor does it apply if you have received a letter saying that I consider your application to be invalid for any reason.

If you decide to appeal to the Secretary of State, you must do so on a form supplied by the Planning Inspectorate (whose address appears below), and you must do it within 6 months from the end of the target period.

Because any decision to appeal in this way means that Manchester City Council would no longer be legally able to consider your application, you may want to seek professional advice before deciding what action to take.

You may submit your appeal online by visiting www.gov.uk/appeal-planning-decision/make-an-appeal.
