If you have stated that the biodiversity net gain requirement does not apply to your application you must provide the reason(s) why, and may also need to supply evidence (especially where you believe the application is eligible for the 'de minimis' exemption).

Applications previously handled by MG who I understand has now left Manchester LPA, this left our previous applications from 2024 in 'limbo', hence the retrospective application. We trust that Manchester LPA understands the exceptional circumstances we find ourselves in, and considers them when viewing our application. Please call The Agent (JP) if you would like to discuss further.
