Notes

Proposed with partially glazed doors and glazed centre piece with
stall risers to match original design and height of adjoining barbers unit.

Upper screening of the plant to remain unchanged
This does not fall within the scope of the application.

Proposed doors to have timber to the bottom to match the
stall riser and timber to hinged side and top for security
and enable locking top and .bottom

All timber to be painted Farrow & Ball Off-Black

Long pull handles fitted to glass doors
