To David Lawless [REDACTED]

I am writing to support this application as a resident and local councillor.

The three brooklands councillors have been working closely with the developers from the start of this project.

This facility will give the club financial security and community benefits .

I know sport England have raised a objection at the loss of a grass pitch ,to compensate this the developer have agreed with Manchester active to bring back into use a pitch in Wythenshawe Park .

The developer is committed to provide rackets and free coaching to local residents in our community.

I will attend the meeting and hope the committee approve the application .

Regards
