Dear Sirs,

I write further to recent correspondence on the above application.

Accordingly, please find attached;

1. Elevational drawings of the proposed louvre and current rear arch infill.
2. Amended extraction system drawings to show cross sectional plan of the proposed louvre (centre top of plans)

I confirm that I have amended the application on the planning portal to show the enlarged site boundary covering the waste collection point as indicated.

I have served notice on the Local Highways Authority as requested and provided details of this via the Certificate B section on the planning portal.

Thank you for your assistance.

I look forward to hearing from you.

Yours faithfully,

Daniel Foggo
