New footprint

The architectural drawings include a site plan, a section view, and a perspective view. The site plan shows the layout of the development, including the proposed building footprint, parking spaces, and surrounding roads. The section view shows the building's profile, including the roofline and internal structure. The perspective view shows the building from a three-dimensional perspective, highlighting its design and integration with the surrounding environment.

DO NOT SCALE. Use figured dimensions only. Contractor is to check all dimensions before commencement of works. This drawing is copyright. This data to be used as x-ref file only - not as live data. This drawing must only be used for the purpose for which it is supplied.
