- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.

Informatives

Flood risk

The applicant is advised to incorporate Property Flood Resilience (PFR) measures to a minimum of 150mm above the surface water flood level or a minimum of 600mm above the fluvial flood level.

Swift Bricks

In accordance with BS 42021:2022 (Biodiversity – Code of practice for planning and development), the applicant is advised to incorporate measures to enhance biodiversity within the development. In particular, the provision of integrated swift nest bricks within the external walls of the extension would provide nesting habitat for swifts, a species in decline. Such features are simple to incorporate and can make a positive contribution to local biodiversity.

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Dwellings (Use Class C3)

This decision relates to the extension or improvement of an existing dwellinghouse, falling within Class C3 of the Town and Country Planning (Use Classes) Order 1987 (as amended) and does not infer or imply approval for the use of the property for any other purpose.

Manchester City Council has made an Article 4 Direction to remove permitted development rights that allow for a change of use from Class C3 - *Dwellinghouses* to Class C4 - *House in Multiple Occupation*. This means that from 8 October 2011, planning permission is required for a change of use from a Dwellinghouse to a House in Multiple Occupation. Further information regarding the Article 4 direction can be found on Manchester City Council's website:

www.manchester.gov.uk/planning-and-regeneration/guide-to-development/article-4-directions

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a material change of use or physical development could result in enforcement action being taken, which can have serious implications.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-householder-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
