

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development, and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Part 1 – Particulars of the application/development

Proposal:

Erection of single-storey rear extension following demolition of existing timber clad store, and installation of extract flue to rear.

Location:

657 Ashton New Road Manchester M11 4QJ

Application reference:

144865/FO/2026

Applicant:

Jia Chen Shi

Date of application:

25 March 2026

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

The proposal was assessed with regards to policies outlined in the National Planning Policy Framework, Unitary Development Plan Saved Policies, Local Development Framework Core Strategy Development Plan and other material considerations. In this instance officers have worked with the applicant in a positive and proactive manner, guided the applicant through issues arising with the application and appropriate conditions have been attached to the approval granted.

Condition(s) attached to this decision

- 1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

- 2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Documents:

-Application Form-V3, received by the City Council as Local Planning Authority on 25 March 2026.

Drawings:

-Location Plan, numbered 2575-01, received by the City Council as Local Planning Authority on 20 January 2026.

-Proposed Floor Plans and Elevations, numbered 2575-03D, received by the City Council as Local Planning Authority on 13 June 2026.

Reason - In the interests of the character and appearance of the dwellinghouse and surrounding area, pursuant to policy DC1 of the saved Unitary Development Plan for the City of Manchester, and policy DM1 of the Manchester Core Strategy.

- 3) Notwithstanding the details submitted with the application, no above ground construction works shall take place until details/samples of the materials to be used in the construction of the external surfaces of the development hereby approved have been submitted to and approved in writing by the Local Planning Authority. The development shall then be carried out in accordance with the approved details/samples.

Reason - In order to ensure a satisfactory appearance in the interests of visual amenity in accordance with policies SP1 and DM1 of the Core Strategy and the requirements of the National Planning Policy Framework.

- 4) Prior to first use of the development hereby approved a scheme for the extraction of any fumes, vapours and odours from the premises shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented before the use commences and shall remain operational thereafter.

Reason - In order to ensure the efficient dispersal of cooking odours from the premises in the interests of the amenity of neighbouring occupiers and to ensure that any ventilation flues/ducting can be accommodated without detriment to character and appearance of the host building and the surrounding area in accordance with policies SP1 and DM1 of the Core Strategy and the National Planning Policy Framework.

- 5) Prior to becoming operational, the fume extraction flue hereby approved within details shown in 'Proposed Floor Plans and Elevations, numbered 03C', received by the City Council as Local Planning Authority on 12 May 2026, shall be painted black.

Reason- To safeguard visual amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

- 6) The development hereby approved shall operate as a store in conjunction with the use of the 657 Ashton New Road Manchester M11 4QJ as a café (Class E (b)) and for no other purpose.

Reason - In the interests of the amenities of the area pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester, and saved policy DC26 of the UDP.

- 7) The bin storage area shown on the approved 'Proposed Floor Plans and Elevations, numbered 2575-03D', received by the City Council as Local Planning Authority on 13 June 2026., shall be made available as part of the development and used for the storage of refuse. The bin storage area shall be retained for that purpose.

Reason - In the interests of amenity and public health, pursuant to policies EN19 and DM1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering

Kitchen fume extract strategy

The applicant will need to consult with a suitably qualified ventilation engineer and submit a kitchen fume extract strategy report for approval. The strategy should include risk assessments for odour and noise and be based on appropriate guidance such as that published by EMAQ titled 'Control of Odour and Noise from Commercial Kitchen Exhaust Systems' dated May 2022. Details should also be provided in relation to replacement air. For new kitchen extract systems calculated to have a 'high' or 'very high' impact risk score, 'very high levels of control' in accordance with the EMAQ guidance are required to minimise emissions of PM2.5 as far as is reasonably practicable in accordance with Defra Interim Planning Guidance - PM2.5.

Flood Resilience Measures (PFR)

The applicant is advised to incorporate Property Flood Resilience (PFR) measures. PFR measures are intended to limit flood damage, protect occupants, and facilitate rapid recovery following flooding events, particularly in exceedance or drainage system failure scenarios. Measures that may be appropriate include, but are not limited to:

- Raised finished floor levels above surrounding ground and adjacent highway levels;
- Electrical sockets, consumer units, and service installations positioned at least 400 mm above finished floor level at ground floor.
- Routing incoming services from high level entry points where practicable.
- Sealing of service penetrations through external walls using appropriate water resistant materials.
- Installation of non return valves on drainage outlets to reduce the risk of sewer surcharge.
- Use of flood resilient materials and construction techniques at ground floor level to minimise damage and aid recovery.

Existing Surface Water Drainage System

If the applicant proposes to utilise the existing surface water drainage system, it is recommended that a full survey of the existing drainage infrastructure is undertaken. Any identified remedial works should be completed, and an ongoing maintenance scheme should be established to ensure that the existing drainage system is fit for purpose for the lifetime of the development.

Applicant responsibility

The applicant is responsible for ensuring that the design, implementation, and maintenance of all drainage works are fully compliant with the Construction (Design and Management) Regulations (CDM).

Construction hours

Construction/demolition works shall be confined to the following hours:

-Monday - Friday: 7.30am - 6pm

-Saturday: 8.30am - 2pm

-Sunday / Bank holidays: No work

Mining

Please see information relating to mining in Appendix A.

Date: 19 June 2026

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.
2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.
4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.

Appendix A - Mining Information

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](https://www.mra.gov.uk)

Standing Advice valid from 1st January 2025 until 31st December 2026
