Dear Sir/Madam,

Discharge of Conditions Application
Premier Inn Hotel and Beefeater Restaurant, Christie Way, West Didsbury, Manchester, M21 7QS
Planning Portal Reference: PP- 15007259

We are instructed by Whitbread PLC to submit a discharge of conditions application relating to full planning permission ref. 140916/FO/2024.

The Council granted full planning permission ref. 140916/FO/2024 in November 2024, which provided the following details for development at the Premier Inn Hotel and Beefeater Restaurant, Christie Way, West Didsbury:

> *"Erection of a two storey annexe building, following demolition of existing restaurant building, to form an additional 30 hotel bedrooms and breakfast room, together with alterations to the car park and proposed landscaping works."*

The permission was granted subject to a number of planning conditions.

Whitbread will be seeking to commence works at the Premier Inn Hotel in due course. This application therefore seeks to discharge conditions 6 and 7 of full planning permission ref. 140916/FO/2024.

It is requested that this letter be read in support of the application.

Conditions 6 and 7

The wording of the relevant conditions state the following:

Condition 6

> *"a) Fumes, vapours and odours shall be extracted and discharged from the premises in accordance with a scheme to be submitted to and approved in writing by the City Council as local planning authority before the use commences.*
>
> *Mixed use schemes shall ensure provision for internal ducting in risers that terminate at roof level. Schemes that are outside the scope of such developments shall ensure that flues terminate at least 1m above the eave level and/or any openable windows/ventilation intakes of nearby properties.*
>
> *b) Prior to commencement of the use hereby approved confirmation shall be submitted for the approval of the City Council as local planning authority that the approved scheme has been implemented."*

Condition 7

> *"a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.*
>
> *b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria."*

The following is submitted to discharge conditions 6 and 7:

- Mechanical Services Ground Floor Ventilation Layout (Dwg. No. RC3748-CFR-XX-00-DR-M-4000 - Rev. C02);
- Mechanical Services Ventilation Schematics (Dwg. No. RC3748-CFR-ZZ-ZZ-DR-M-0004- Rev. C01);
- Technical Specification - UV-O Range Brochure (prepared by Purified Air).

The submitted documents should be considered acceptable for the purpose of discharging conditions 6 and 7.

Conclusion

We trust that the submitted information is sufficient to enable the discharge of conditions 6 and 7 of full planning permission ref. 140916/FO/2024 at the Premier Inn Hotel and Beefeater Restaurant, Christie Way, West Didsbury.

If you have any queries regarding the submission or require any additional information, please do not hesitate to contact us.

Yours faithfully,
