Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal comprises the conversion of the existing loft space into a habitable bedroom with the installation of two roof lights. No enlargement of the roof, alteration to the roof profile, or change of use is proposed. It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
