

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development, and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application

Condition(s) attached to this decision

- 1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

- 2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

PL001 (location plan), PL004/A (proposed floor plan), PL003 (proposed site plan) and PL005/C (proposed elevations) received by the City Council as Local Planning Authority on 26 November 2025 and 8 June 2026 respectively.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

- 3) Prior to the commencement of development, a construction management plan outlining working practices during development and demolition shall be submitted to and approved in writing by the City Council as Local Planning Authority, which for the avoidance of doubt should include:

- Dust suppression measures;
- Compound locations where relevant;
- Location, removal and recycling of waste;
- Detail of an emergency contact telephone number;
- Parking of construction vehicles; and
- Sheeting over of construction vehicles.

The development shall only be carried out in accordance with the approved plan.

Reason - To safeguard the amenities of nearby residents, pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy.

- 3) No above ground development that is hereby approved shall commence unless and until samples and specifications of all other materials to be used on all external elevations of the development, have been submitted to and approved in writing by the City Council as Local Planning Authority. The development shall only be implemented in accordance with the agreed materials.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning authority, in the interests of the visual amenity, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

- 5)
- 6) The development hereby approved shall only be implemented in accordance with the waste management strategy shown on the submitted pro forma and proposed site plan referenced PL003, received by the City Council as Local Planning Authority on 14 October 2026. The details of the approved scheme shall be implemented as part

of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of public health and residential amenity, pursuant to policies DM1 and SP1 of the Manchester Core Strategy and policy JP-P1 of the Places for Everyone Joint Development Plan.

- 7) The car parking spaces shown on the approved plans for the development hereby permitted shall be laid out, clearly marked and made fully available for use prior to the first occupation of the development. The provision shall include one dedicated disabled parking space. All parking spaces shall thereafter be retained.

Reason - To ensure satisfactory car parking arrangements and in the interests of highway safety, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

- 8) Prior to the first use of the car parking spaces hereby approved, a scheme for electric vehicle charging, together with details of infrastructure to allow further future EVC conversion shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved details shall then be implemented and be in place prior to the first occupation of the residential units hereby approved.

Reason - In the interest of air quality pursuant to policies SP1, DM1 and EN16 of the Manchester Core Strategy and policies JP-C8 and JP-S5 of the Places for Everyone Joint Development Plan.

- 9) Prior to the commencement of above ground works, full details for the provision of secure and covered cycle parking provision for the development shall be submitted to and approved in writing by the City Council as Local Planning Authority. The approved details shall be installed prior to the first occupation of the development and be retained thereafter for use by people residing and visiting the development.

Reason - To ensure that there is adequate cycle parking for the development in order to comply with policies T1, T2 and DM1 of the Manchester Core strategy and policy JP-C6 of the Places for Everyone joint development plan.

- 10) Any externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to first occupation of the units hereby approved a scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from

the site. The scheme shall be implemented in full prior to first occupation of the development.

b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as Local Planning Authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements approved under part a) of this condition. The report shall also undertake post completion testing to confirm that the noise criteria have been met.

c) In the event of any non-conformity with the approved scheme, then any further measures that are required to ensure conformity shall be carried out. Any required measures/mitigation shall continue until conformity has been achieved and agreed in writing by the City Council as Local Planning Authority, prior to first occupation of the development.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site pursuant to policy DM1 of the Manchester Core Strategy, saved policy DC26 of the Unitary Development Plan and policy JP-P1 of the Places for Everyone Joint Development Plan.

11) Notwithstanding the submitted noise impact assessment:

a) Prior to the commencement of above ground works, the building comprising the development shall be acoustically insulated and treated to limit the break out of noise in accordance with a more detailed noise study of the building and a scheme of acoustic treatment that has been submitted to and approved in writing by the City Council as Local Planning Authority. The scheme shall be implemented in full before the buildings are occupied.

b) Within 3 months of first operation of the development hereby approved, a verification report shall be submitted to validate that the work undertaken throughout the development conforms to the recommendations and requirements approved as part a) of this condition. The validation report shall also undertake post completion testing to confirm that the internal noise criteria have been met.

c) In the event of any non-conformity with the approved acoustic insulation scheme, then any further measures that are required to ensure conformity shall be carried out. Any required measures/mitigation shall continue until conformity has been

achieved and agreed in writing by the City Council as local planning authority, prior to first occupation of the development.

Reason -To safeguard the amenities of the occupiers of the building and occupiers of nearby properties, pursuant to policy DM1 of the Manchester Core Strategy, saved policy DC26 of the Unitary Development Plan for the City of Manchester and policy JP-P1 of the Places for Everyone Joint Development Plan.

- 12) a) Prior to the commencement of development, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as Local Planning Authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as Local Planning Authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or

Remediation Strategy) which shall be submitted to and approved in writing by the City Council as Local Planning Authority

b) Prior to the first occupation of the development, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as Local Planning Authority, to validate that the development conforms with the approved Site Investigation Report and/or Remediation Strategy.

c) In the event of any non-conformity with the approved Site Investigation Report and/or Remediation Strategy, then any further measures that are required to remediate the land shall be carried out. Any required measures/remediation and validation shall continue until conformity has been achieved and agreed in writing by the City Council as Local Planning Authority, prior to first use/occupation of the development.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Manchester Core Strategy and policy JP-S1 of the Places for Everyone Joint Development Plan.

- 13) Prior to the commencement of the development hereby approved, a surface water drainage scheme for the development site, based on sustainable drainage principles, shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include:

-Progression through the drainage hierarchy must be evidence based and supported by site investigation including assessments of ground conditions and infiltration testing in accordance with BRE365. Proposals of attenuation should achieve half drain time within 24 hours.

-For surface water connections, evidence of agreement in principle from the relevant authority/service provider is required to ensure there is adequate spare capacity in the existing system taking future development requirements into account. An email of acceptance of proposed new connection will suffice.

-Details of surface water attenuation that offers a reduction in surface water runoff rate in line with the Manchester Trafford and Salford Strategic Flood Risk Assessment. Provide at least a 50% reduction in brownfield runoff rate or greenfield runoff rate.

-Finalised surface water drainage layout including all components, levels, connectivity and proposed overland flow routes for extreme events.

-Hydraulic calculations of the proposed drainage system, including all design parameters. Results must demonstrate no surcharge for the 1 in 2, no flooding in the 1 in 30 and no flooding of buildings for the 1 in 100 + 45% Climate Change.

-Where flows less than 5 l/s are proposed, a blockage risk assessment must be undertaken. If the risk cannot be adequately managed, a higher minimum discharge rate should be considered / agreed with relevant authority.

-A plan indicating easements. SuDS features (including attenuation tanks) should be appropriately positioned, including a 2.5m easement from the existing highway and a 5m easement from any dwellings, guaranteeing accessibility for future maintenance and contingency for asset failure. This practice is in accordance with SuDS Manual (C753).

-Construction details of flow control and SuDS components.

-Details of how the scheme shall be maintained and managed after completion. Maintenance and management plan, including responsible party and a schedule of tasks/frequencies for the components.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. This condition is imposed in light of national policies within the NPPF and NPPG and local policies EN8 and EN14 and policy JP-S4 of the Places for Everyone Joint Development Plan.

- 14) The use hereby approved shall not be open outside the following hours:-

07:00 to 19.00 hrs Monday to Friday

09.00 to 16.00 hrs Saturdays and Sundays.

Reason - To safeguard residential amenity, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Manchester Core Strategy.

- 15) Deliveries, servicing and collections, including waste collections shall not take place outside of the following hours:

07.30 to 20.00 hrs Monday to Saturday;

No deliveries/collections on Sundays and Bank Holidays.

Reason - To safeguard the amenities of nearby occupiers, pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and Policies DM1 and SP1 of the Manchester Core Strategy.

- 16) (a) Prior to any above ground works, hereby approved, a scheme of highway works and shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the following:

-The repositioning of the radius kerbs to the site access to align with the gate pillar.

-Introduction of uncontrolled tactile tiles to both sides of the site access.

(b) Prior to the first occupation of the development hereby approved, a verification report, which will include photographic evidence and highway approval/completion notices (where relevant) shall be implemented as part of the development and be in place prior to the first occupation of the development and thereafter retained and maintained.

(c) In the event of non-conformity, where the highway works have not been carried out and/or to relevant standards, then any measures/changes required to achieve conformity shall be carried out. Any required measures/changes and verification shall continue until conformity has been achieved and agreed in writing by the Local Planning Authority, before first occupation of the development.

Reason - To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012) and policies JP-C4 and JP-C6 of the Places for Everyone Joint Development Plan.

- 17) Prior to first occupation of the development hereby approved, the City Council as Local Planning Authority must acknowledge in writing that it has received written confirmation of a Secured by Design accreditation.

Reason - To reduce the risk of crime, pursuant to policies SP1 and DM1 of the Manchester Core Strategy and policies JP-S1 and JP-P1 of the Places for Everyone Joint Development Plan.

- 18) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) the building shall not be further subdivided to form additional units.

Reason - To prevent an over-intensive use of the site, pursuant to Policies SP1 and DM1 of the Manchester Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering

Swift Bricks

- 1) If the development can accommodate it, it is requested that consideration is given to the installation of Swift Bricks. Swift bricks must be fitted in accordance with the specifications of BS 42021:2022 - Integral nest boxes.

Date: 22 June 2026

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.
2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.
4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
