

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development, and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

-Drawing- Proposed- Floor Plan- BLOCK TYPE G- BLOCKS 4, 7, numbered PL.015D, received by the City Council as Local Planning Authority on 5 March 2026.

Reason - In the interests of residential amenity pursuant to policy SP1 and DM1 of the Core Strategy for the City of Manchester.

- 6) The development hereby approved shall only be done in accordance with the following construction management plan details, agreed as part of condition discharge application referenced CDN/25/0395:

-Traffic Management Plan Whitemoss Road (Casey), numbered 003, stamped and received by the City Council as Local Planning Authority on 16 June 2025.

-Construction Environmental Management Plan (Casey), stamped and received by the City Council as Local Planning Authority on 24 June 2025.

Development shall be carried out in accordance with the approved construction management plan upon commencement of authorised works.

Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

- 7) Before the commencement of above ground construction works, details of highways works to Whitemoss Road and Dam Head Drive, and new access road that are required as part of the implementation of the development, for the avoidance of doubt, including:

-The proposed access road is located coincident to an existing traffic calming feature and an uncontrolled dropped crossing for pedestrians. These features should be retained but relocated further to the west and could be combined with buff coloured tactile paving provided on a new flat top plateau between Haverfield Road and Leconfield Drive. Tactile paving will also be required to assist pedestrians crossing the new access.

-The existing footways on Whitemoss Road and Dam Head Drive directly adjacent to the development need resurfacing.

-Amend existing street lighting on Whitemoss Road and Dam Head Drive in addition to providing public street lighting on any new road which is being offered for adoption.

-Precise details are sought from the applicant in regard to Wanley Walk through overlay mapping to show the extent of the diversion to demonstrate that the revised route would not be substantially less convenient to the public. The footpath diversion would need to be progressed under S257 of the Town and Country Planning Act 1990. In addition, MCC GIS mapping indicates that other footpaths exist in the vicinity of blocks 1 to 5 off Dam Head Drive and the applicant should also investigate these, shall be submitted to and approved in writing by the City Council as local planning authority.

The development shall not be occupied until the works have been constructed in accordance with the approved details, which shall be maintained in situ at all times thereafter.

Reason - In the interest of pedestrian and highway safety and in the interests of local amenity, as specified in policies SP1, EN19, T2 and DM1 of the Core Strategy for the City of Manchester and guidance contained within the National Planning Policy Framework.

- 8) a) The development hereby approved shall only be done in accordance with the following waste management details, agreed as part of condition discharge application referenced CDN/24/1185:

-Waste Management Plan, numbered PL.031, stamped and received by the City Council as Local Planning Authority on 19 December 2024.

-Supporting Information- S38 Vehicular Tracking, numbered WMR AJP ZZ 00 DR C -1570, stamped and received by the City Council as Local Planning Authority on 19 December 2024.

-Waste Management- C8- 5.5M Road Confirmation, numbered PL.033, stamped and received by the City Council as Local Planning Authority on 4 February 2025.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health, pursuant to policies EN19 and DM1 of the Manchester Core Strategy.

- 9) Before the occupation of the development, car parking areas shown on 'Site Plan-Proposed, numbered PL.003U', received by the City Council as Local Planning Authority on 6 May 2026, shall be surfaced and made available for use.

The car parking spaces shall be maintained in situ prior to the occupation of the authorised houses and remain in situ thereafter.

Reason - In the interest of residential amenity and pedestrian and highways safety, pursuant to policies SP1, T1, T2 and DM1 of the Core Strategy for the City of Manchester and the National Planning Policy Framework.

- 10) The development hereby approved shall only be done in accordance with the following drainage details, agreed as part of condition discharge application referenced CDN/25/0395:

-Noise Assessment- Discharge of Condition 12, numbered 50-477-TN2-4, DATED 25TH JUNE 2025, stamped and received by the City Council as Local Planning Authority on 27 June 2025.

b) Prior to first occupation of the residential units, a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason- To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance, pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

- 13) a) The development hereby approved shall only be done in accordance with the following ground conditions information, agreed as part of condition discharge application referenced CDN/25/0395:

-Phase 1 Whitemoss Road Comp, numbered 077873-CUR-00-XX-RP-GE-007-V01, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-Phase 1 Dam Head Drive Comp, numbered 077873-CUR-00-XX-RP-GE-009-V01, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-Whitemoss Road Letter Report Phase 2, numbered 077873-CUR-00-XX-RP-GE-040-P01, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-Dam Head Drive Letter Report Phase 2, numbered 077873-CUR-00-XX-RP-GE-042 P01, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-BEK- Asbestos Management Plan - Ref BEK-24070-2 December 2024, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-BEK- Remediation & Enabling Works Strategy, ref BEK-24070- 1 Rev D (dated June 2025), stamped and received by the City Council as Local Planning Authority on 11 June 2025.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and prior to occupation a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority. In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development in each phase is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to EN18 of the Core Strategy for Manchester.

- 14) a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

b) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester.

- 15) a) The development hereby approved shall only be done in accordance with the air quality details:

-Project-EV-APEX-7.3kW-Datasheet, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

-Site Plan- Proposed, numbered PL.003U, received by the City Council as Local Planning Authority on 6 May 2026.

b) Prior to occupation of the development any agreed mitigation measures shall be implemented and verified as such in writing by the City Council as local planning authority and shall remain in situ whilst the use or development is in operation.

Reason- To secure a reduction in air pollution from traffic or other sources in order to protect existing and future residents from air pollution, pursuant to policies EN16, SP1 and DM1 of the Core Strategy.

- 16) Prior to the first occupation of the development the Boundary Treatment shall be implemented in accordance with the approved plans 'Proposed Boundary Treatments, numbered PL.008O', received by the City Council as Local Planning Authority on 18 June 2026.

The approved details shall be retained in accordance with the details and maintained in situ thereafter.

Reason - In order to secure the site boundaries, achieve appropriate noise attenuation and in the interests of residential amenity pursuant to policies SP1 and DM1 of the Core Strategy for the City of Manchester and saved policy DC26 of the Unitary Development Plan for the City of Manchester.

- 17) The development hereby approved shall only be done in accordance with the following hard and soft landscaping treatment scheme:

-Tree Information- Planting Plan, numbered GM12647-002C, stamped as received by

the City Council as Local Planning Authority on 31 January 2025.

-Hard Landscaping Plan, numbered PL.037B, received by the City Council as Local Planning Authority on 19 May 2026.

The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

- 18) The development hereby approved shall only be done in accordance with the following cycle storage scheme:

-Plan- Bike Storage Locations, numbered PL.040B, received by the City Council as Local Planning Authority on 19 May 2026.

The above details are considered to be acceptable to discharge condition 18 attached to planning permission referenced 141051/JO/2024 on the basis the development is fully implemented in accordance with the approved details.

- 19) The development hereby approved shall only be done in accordance with the following renewable technology details, agreed as part of condition discharge application referenced CDN/25/0502:

-Drawing- Proposed PV Plan, numbered PL.034,

-Drawing Proposed- ASHP Plan 1 of 2, numbered PL.035,

-Drawing Proposed- ASHP Plan 2 of 2, numbered PL.036,

-Drawing- Visuals- EV and Elevations,

-Supporting Information- Daikin Altherma 3 High Capacity Monobloc Product Specification,

-Supporting Information- Hi-Mo Solar Panels Product Specification,

-Noise Information- Discharge of Condition 19 (E3P, ref:51-486-TN1-1, dated 28 April 2025),

-Supporting Information- ASHP Gravel Surrounds, numbered PL.038,

All stamped and received by the City Council by Local Planning Authority on 30 May 2025.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, pursuant to policy DM1 of Manchester's Core Strategy.

- 20) The development hereby approved shall be carried out in accordance with the 'Supporting Information- Environmental Standards Statement', stamped as received by the City Council as Local Planning Authority on 23 January 2024.

A post construction review certificate/statement shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

- 21) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

- 22) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and

shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

- 23) No vegetation clearance shall take place during the optimum period for bird nesting (March - September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy (2012).

- 24) The development hereby approved shall only be done in accordance with the following construction environmental management details, agreed as part of condition discharge application referenced CDN/25/0395:

-Traffic Management Plan Whitemoss Road (Casey), numbered 003, stamped and received by the City Council as Local Planning Authority on 16 June 2025.

-Construction Environmental Management Plan (Casey), stamped and received by the City Council as Local Planning Authority on 24 June 2025.

Reason- To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended in order to comply with policy EN15 of the Core Strategy.

- 25) Prior to occupation, a "lighting design strategy for biodiversity" for areas to be lit shall be submitted to and approved in writing by the local planning authority. The strategy shall:

a) identify those areas/features on site that are particularly sensitive for nocturnal species and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory, for example, for foraging; and

b) show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory or having access to their breeding sites and resting places. All external lighting shall be installed in accordance with the specifications and locations set out in the strategy, and these shall be maintained thereafter in accordance with the strategy. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

Reason- To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended in order to comply with Policy EN15 of the Core Strategy.

- 26) The development hereby approved shall only be done in accordance with the following invasive non-native species protocol details, agreed as part of condition discharge application referenced CDN/25/0395:

-Ecology Report- Condition 26 Protocol Statement, stamped and received by the City Council as Local Planning Authority on 25 April 2025.

The measures shall be carried out strictly in accordance with the approved scheme.

Reason- To ensure the protection of habitat of species that are protected under the Wildlife and Countryside Act 1981 or as subsequently amended in order to comply with policy EN15 of the Core Strategy.

- 27) The development hereby approved shall only be done in accordance with the following biodiversity enhancement details, agreed as part of condition discharge application referenced CDN/26/0023:

-Bat and Bird Boxes, numbered PL_039B, received by the City Council as Local Planning Authority on 10 February 2026.

The development shall be implemented in accordance with approved scheme prior to the occupation of the authorised properties and shall be maintained in situ thereafter.

Reason - in the interests of residential development and to encourage bio-diversity pursuant to policies SP1, EN1, EN15 and DM1 of the Core Strategy for the City of Manchester and the National Planning Policy Framework.

- 28) Prior to occupation, details of the measures to be incorporated into the development (or phase thereof) to demonstrate how secure by design accreditation will be achieved have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details at all times thereafter.

The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a secured by design accreditation.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

- 29) i-iii) The development hereby approved shall only be done in accordance with the following affordable housing details, agreed as part of condition discharge application referenced CDN/24/1185:

-Supporting Information- Affordable Housing Statement, stamped and received by the City Council as Local Planning Authority on 6 February 2025.

iv. The approved affordable housing scheme shall be implemented as part of the development and thereafter observed in perpetuity subject to the exclusions and exemptions set out in the approved affordable housing scheme.

Reason - In order to provide affordable housing at the site and to deliver an identified housing need in accordance with policies H6 and H8 of the Manchester Core Strategy (2012) and the National Planning Policy Framework.

- 30) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, extensions, roof alterations, porches or outbuildings shall be erected other than those expressly authorised by this permission.

Reason - In the interests of residential amenity pursuant to policy SP1 and DM1 of the Core Strategy for the City of Manchester.

- 31) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that

Order with or without modification) no part of the residential units shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2015, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a) not precluding occupation by two unrelated people sharing a property.

Reason - In the exceptional circumstances of a proliferation of HMOs restricting housing choice and adversely affecting sustainability and in the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through the provision of accommodation that is suitable for people living as families pursuant to paragraph 7.4 of the Guide to Development in Manchester: Supplementary Planning Document and Planning Guidance, the National Planning Policy Framework and policies SP1 and DM1 of the Core Strategy for the City of Manchester.

- 32) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2010 (or any order revoking and re-enacting that Order with or without modification) the dwelling houses hereby approved shall be used only as private dwellings (which description shall not include serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive

nights) and for no other purpose (including any other purpose in Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and reenacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address: www.manchester.gov.uk/roads-and-transport/street-naming-and-numbering

Highways 1

The applicant is advised that any requirements for licensing, hoarding / scaffolding, building maintenance and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004).

Highways 2

Detailed MCC mapping can be obtained at roadinformationsearches@manchester.gov.uk for which a charge will be made.

Highways 3

If adoption of the highway is required it will need to be carried out under a S38 Agreement (Highways Act 1980) to ensure that all elements of new highway infrastructure are constructed to acceptable and adoptable standards. This includes; layout, drainage, streetlighting, surfacing, stats etc.

Culvert

MCC records highlighted an indicative risk that the underground Lionfield Brook is located within close proximity to the site. Intrusive site investigations to determine whether the asset is onsite have been undertaken to support the planning application. The investigations have not found the asset onsite. While our records are frequently updated to ensure the highest level of accuracy, the records cannot guarantee 100% accuracy for all MCC underground assets. Therefore, we would request that the applicant informs the onsite contractor to remain observant and to take the appropriate safety precautions during excavation works. If any major unknown drainage assets are found beneath the site, then further investigation works should take place to identify the asset and MCC should be contacted immediately.

Construction/demolition work hours

Construction/demolition works shall be confined to the following hours unless otherwise agreed in writing by the City Council as local planning authority:

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

Wildlife and Countryside Act 1981

The applicant is reminded that, under the Wildlife and Countryside Act 1981 as amended it is an offence to remove, damage, or destroy the nest of a wild bird, while the nest is in use or being built. Planning consent does not provide a defence against prosecution under this act. If a bird's nest is suspected work should cease immediately and a suitably experienced ecologist employed to assess how best to safeguard the nest(s).

Cadent Gas

Cadent Gas Ltd own and operate the gas infrastructure within the area of your development. There may be a legal interest (easements and other rights) in the land that restrict activity in proximity to Cadent assets in private land. The applicant must ensure that the proposed works do not infringe on legal rights of access and or restrictive covenants that exist.

If buildings or structures are proposed directly above the apparatus the development may only take place following diversion of the apparatus. The applicant should apply online to have apparatus diverted in advance of any works, by visiting cadentgas.com/diversions

Prior to carrying out works, including the construction of access points, please register On www.lineearchbeforeudig.co.uk to submit details of the planned works for review, ensuring requirements are adhered to.

SBD

The proposed development should be designed and constructed to Secured by Design standards including laminated glazing; security-certified windows and doors (please see www.designforsecurity.org/secured-by-design/ or www.securedbydesign.com for more information). Developments that are built to this standard are less likely to be susceptible to crime.

-Illumination is required for the public footpaths close to the boundaries of the site.

Statutory Approvals Team

Where there is a requirement to stop up or divert an existing section of highway or footpath (under either a S116 Highways Act 1980 or S247/S257 Town and Country Planning Act 1990) a discussion should be undertaken with the Statutory Approvals Team, so an appropriate process can be determined and taken forward, at the applicants expense. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.
4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Right of challenge on planning application decision

A third party does not have a right of appeal against a decision on a planning application. Instead, there is a right of challenge (a Judicial Review) which is limited to lawfulness of the procedure that we have taken in coming to that decision.

Any challenge must be based on the following and not the merit of the decision:

- Procedural irregularity
- Irrationality
- Illegality

Any application for permission to bring such a challenge (which is through the High Court) must be made within 6 weeks of the date of the decision being issued.
