Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- [x] Yes
- [ ] No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Single storey side and single storey rear extension

Does the proposal consist of, or include, a change of use of the land or building(s)?

- [ ] Yes
- [x] No

Has the proposal been started?

- [ ] Yes
- [x] No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing building is a lawful residential dwellinghouse. The proposal is for an extension to the existing dwelling and does not involve any change of use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Drawings attached indicating the proposed extension.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- [x] Permanent
- [ ] Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted because the proposed extension constitutes permitted development under Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

The proposal relates to a lawful dwellinghouse and complies with the relevant limitations and conditions applicable to householder extensions, including those relating to its size, height, position and relationship to the existing dwelling. The development does not exceed the thresholds for permitted development and does not require express planning permission.

Accordingly, the proposed extension is lawful and a Certificate of Lawful Development is sought to confirm this position.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- [ ] Yes
- [x] No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- [ ] The agent
- [x] The applicant
- [ ] Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- [ ] Yes
- [x] No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [ ] Yes
- [x] No

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
- [ ] Lessee
- [ ] Occupier
- [ ] Other
