Details of the pre-application advice received

It was advised that advertisement consent would not be required as the proposal falls outside of the scope of the advertisement regulations as an advertisement displayed on enclosed land (See Class A Schedule 1 of the Advertisement Regulations). However, a listed building application was requested due to the proposal being located within the curtilage of the Grade II Listed Station.

(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
