Hi Katie,

We've received the attached consultation - I'm assuming that this should be a re-consultation on additional information submitted? If this is the case, I see there's a new drawing on the portal - 'PROPOSED REFUSE COLLECTION, DWG: 23118 (PL) 300 F' - and would comment on this that clarification should be provided of whether all of the bin transfer distances (from residential external bin stores to kerbside collection points) comply with MCC's maximum 30m distance requirement.

Regards,

[redacted]
