Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Bin store shown to ground floor level of apartment block, accessed externally. There is a bin collection area indicated immediately outside the bin store, where bins will be taken to ready for collection. The bin store contains bins dedicated to each relevant waste stream - general refuse; pulpable recycling; mixed recycling; food waste. Garden areas will be subject to maintenance by the management company, with waste arising being taken away by maintenance operatives.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Refuse collection will take place along Moorcroft Road. The bin collection area will be a 10m drag distance to Moorcroft Road, and is therefore compliant with MCC waste collection guidance.

Ensure all bins in the store are accessible	☑
Ensure recycling facilities are as easy to access as general refuse	☑

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - Louvred double doorset provides for ventilation

Hygiene - Wash down facilities to be provided including bib tap and floor gulley

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g., resident / management company

The management company will be responsible for placing the bins at the collection point and returning them to the store promptly.

Please ensure that you have attached:

Detailed plans of bin stores	☑
Location plans showing stores	☑
Location plans showing the proposed collection point and the route the collection vehicle will take (please refer to the Road, Vehicle and Waste Operative Access Specification – paying particular attention to turning space and reversing)	☑

Please ensure that you have completed this form in accordance with the latest version of GD04 Waste Storage and Collection Guidance for New Developments – v.7 September 2023, read in conjunction with the Waste and Recycling Service Standard found on the Council website.
