Hi Paul and Angela

Following our meeting last week with Paul we enclose the full set of information which now is co-ordinated and in line with our discussions.

In summary:

1. We enclose an image of the tiles we intend to locate to the entrance threshold.
2. We have shown the 3 pane single sliding door. We are informed that we will need a frame albeit with a 40mm sight line.
3. We have shown the wall to the side of the stairs as brickwork.
4. The lift will be black in colour to match the doors at the top of the stairs.

Regards
Andrew Burns
