Description of site/building

This 0.25 hectares site is bounded by Trafford Street and the Deansgate public house, Century Street, Whitworth Street and Deansgate-Castlefield Metrolink stair and lift core and Deansgate. The Metrolink line runs along the Castlefield Viaduct.

The site is occupied by a commercial unit and servicing yard, two enclosed arches underneath the Grade II listed Castlefield Viaduct and an area of hard landscaping bordering Whitworth Street West. Vehicular access is via Century Street and Trafford Street into a customer parking and service yard which provides space for parking and refuse storage. The site slopes towards the Castlefield Viaduct. The western arch forms part of the commercial unit.

Listed building: Not applicable

Conservation area:

Tree Preservation Order:

Description of area

The site is highly accessible with rail, tram and bus services nearby. It is close to entertainment and leisure facilities at Manchester Central, Bridgewater Hall, the Great Northern Complex and Deansgate Locks. Nearby residential accommodation includes the Hacienda, Beetham Tower and the Great Northern Tower. The site is not within a conservation area but could impact upon the character and appearance of the St Peter's Square, Albert Square, Deansgate / Peter Street, St John Street and Castlefield Conservation Areas. Much of the site is part of the Grade II Listed Castlefield Viaduct particularly the brick arches underneath the viaduct. The Site is adjacent to the Grade II* Listed former Manchester Central Railway Station and the following listed buildings and structures are within a 250m radius: Grade II Castlefield Viaduct, Grade II

Manchester South Junction and Altrincham Railway Viaduct, Grade II Rochdale Canal Lock Keepers Cottage At Lock Number 91, Grade II Rochdale Canal Lock Number 91 At East End of Gaythorn Tunnel, Grade II Deansgate Station, Grade II Artingstalls Auctioneers, Grade II Rochdale Canal Lock Number 90, Grade II K6 Telephone Kiosk Beside South West Corner Of Number 330 Deansgate, Grade II Castlefield Information Centre, Grade II Former Market Hall, Grade II 235-291, Deansgate, Grade II* Deansgate Goods Station (Great Northern), Grade II Former Entrance to Deansgate Goods Station Including Numbers 223 To 233, Grade II 6 Telephone Kiosk in Front Of St John Street Chambers, Grade II* Manchester Central (GMex), Grade II Rochdale Canal Lock Number 92 and Castle Street Bridge, Grade II Merchants Warehouse, Grade II Middle Warehouse and Scheduled Ancient Monument Remains of eastern wall of the Roman fort.

Description of development

Variation of Planning Permission 139059/JO/2024 to allow internal reconfiguration, elevational alterations and changes in landscaping.

Consultations & Notification Responses

Publicity The proposal has been advertised as a major development, being of public interest, affecting the setting of a conservation area and listed buildings and being subject to an Environmental Impact Assessment. Site notices were displayed and notification letters were sent to local residents and businesses.

Highway Services advise that they are satisfied that the proposed changes would not have an unacceptable impact on the adopted highway.

Environmental Health advise that the in discharge the relevant condition with regards to noise, this needs to take account of the relocated gym which is now below the rooms.

Issues

Other legislative requirements

Section 16 (2) of the Planning (Listed Building and Conservation Areas) Act 1990 (the "Listed Building Act") provides that "in considering whether to grant listed building consent for any works to a listed building, the local planning authority or the Manchester City Council . Report to the Chief Executive Secretary of State shall have special regard to the desirability of preserving the building or its setting or any features of special architectural or historic interest which it possesses" Section 66 Listed Building Act requires the local planning authority to have special regard to the desirability of preserving the setting of listed buildings. This requires more than a simple balancing exercise and considerable importance and weight should be given to the desirability of preserving the setting. Members should consider whether there is justification for overriding the presumption in favour of preservation.

Section 72 of the Listed Building Act provides that in the exercise of the power to determine planning applications for land or buildings within a conservation area, special attention shall be paid to the desirability of preserving or enhancing the character or appearance of that area.

Environmental Impact Assessment

The approved development was subject to an EIA. Due to the limited nature and scale of the changes to the approved development, the proposed amendment – in isolation or cumulatively with changes progressed in the previous amendment applications (Ref. 134854/NMC/2022, 136154/NMC/2023 and 137169/NMC/2023) - will have no significant environmental effects on townscape and visual impact; construction methodology and phasing; built heritage; noise and vibration; sunlight daylight and solar glare; or wind microclimate.

Due to the nature of amendments relating to façade changes and an increase in height, three of the verified townscape views included in the original planning application have been updated.

The updated viewpoints have been submitted as part of this application and the have concluded that the visual changes to the façade appear to be very minor and do not alter the overall appearance of the building, while the increase in height is perceptible in the views however unlikely to cause any further visual effects beyond those identified in the 2019 ES chapter.

The Council accepts this is the case.

The proposed amendments have been assessed from a daylight and sunlight perspective. This has confirmed that the only change capable of affecting the daylight or sunlight received by neighbouring properties is the increase in height. However, the impact on nearby properties would be negligible to minor in all instances and are considered non-significant.

The Council accepts this is the case.

The proposed amendments have been reviewed from a Wind Microclimate perspective. This has confirmed that the overall height of the building is negligible with respect to wind and would not have any impact on wind conditions. Thus, the wind microclimate 2019 ES chapter remains valid.

The Council accepts this is the case.

The changes

The changes can be summarised as follows:

Approved Layout: The current approved layout comprises a reception and coffee area facing Deansgate, with a mezzanine situated under the first railway arch (closest to Deansgate). A

commercial unit occupies the adjacent railway arch, with access to both Century Street and Whitworth Street West.

Proposed Amendments: The commercial unit will be omitted and integrated into the existing reception area as an ancillary unit, creating a larger consolidated hotel entrance with separate coffee space. The mezzanine level will also be extended into second arch (closest to Century Street). This expanded and consolidated lobby and mezzanine space will provide a more flexible layout, delivering a greater area of amenity for the hotel guests.

Other minor changes to configuration of ground floor layout including repositioning of the office, and luggage store, and the relocation of the gym to level 01. Changes at mezzanine level include the relocation of the IT room, kitchen and relocation of the cycle store to ground floor.

In addition, the ground floor plan includes those doors that must open outwards (fire escape, substation, and refuse) in line with the Information submitted concurrently in relation to Condition 41.

Level 21

Approved Layout: The existing layout comprises 357 hotel rooms. Level 21 currently comprises 6 superior, 10 standard and 1 accessible room.

Proposed Amendments: As a result of the reconfiguration of the layout, the total number of hotel rooms will increase to 358. This will be achieved by swapping one superior room for two snug rooms. The split of the hotel rooms on level 21 will now comprise 5 superior 10 standard, 2 snug and 1 accessible apart-hotel rooms.

Elevational Changes

A number of changes have been made to the ground floor / mezzanine layout and the layout on level 21. These necessitate minor adjustments to the building elevations.

Deansgate

The glazing for the fire escape on Deansgate is proposed to be fully opaque for the slab edge and fire partition, with clear glazing proposed to the fire escape. The change is due to the requirement for fire compartmentation to the fire escape door.

Century Street

The approved scheme included glazed curtain walling within the second arch opening, accommodating a front-of-house entrance. The amendment now proposes utilising this arch opening for plant equipment to service the bar and kitchen facilities. Consequently, a louvred elevation is required to provide necessary ventilation. All louvres will incorporate decorative perforated screens to maintain the architectural quality and character of the elevation.

At Level 21, the addition of an extra room requires one clear glazing unit to be swapped with one opaque unit.

The ground floor reconfiguration also entails the removal of the linen store door and relocation of louvres at ground and mezzanine levels.

Whitworth Street Elevation

Minor changes are proposed to the curtain walling within the second arch on the Whitworth Street Elevation.

Landscape Changes

The Planning Permission includes for 4 trees to be planted along Deansgate, however, due to the presence of services it is proposed that these trees are re-located to the Whitworth Street West frontage where they will sit with a new landscaped area.

Assessment of the proposed changes

The proposed amendments do not materially change the use, amount, layout, scale, external appearance, access or landscaping of the proposed development. The high quality façade would be retained/

The number of new hotel rooms has only increased by one, and the commercial use will now be provided in house via an ancillary coffee space.

The railway arches (Grade II Listed Castlefield Viaduct) will not be directly affected by the proposed amendments as the mezzanine extension will be a free-standing structure that does not directly attach to the listed arches. There would be no greater harm created than was previously identified in the original planning permission.

The street trees would not be delivered. Mitigation, to allow the trees to be delivered elsewhere, has been secured through an amendment to legal agreement.

Planning conditions have been updated to reflect the most up to date condition position.

Legal agreement is to be reimposed on the planning permission including update to secure the tree position.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the

planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Pre application advice has been sought in respect of this matter where early discussions took place regarding the siting/layout, scale, design and appearance of the development along with noise and traffic impacts. Further work and discussion have taken place with the applicant through the course of the application, particularly in respect of the highways and environmental health consideration along with other matters arising from the consultation and notification process. The proposal is considered to be acceptable and therefore determined within a timely manner.

Condition(s) to be attached to decision for approval

1) The development must be begun not later than 26 June 2023.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Energy and Environmental Standards Statement prepared by JH Partners stamped as received by the City Council, as Local Planning Authority, on the 11 May 2020

Access and servicing (Version 3) statement stamped as received by the City Council, as Local Planning Authority, on the 5 June 2020

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) Demolition shall be carried out in accordance with Preliminary roost assessment for bats and nesting birds prepared by Penny Anderson received by the City Council, as Local Planning Authority, on the 21 February 2023 as approved under CDN/23/0123.

Reason - In the interest of protecting any species or habitats within the existing building pursuant to policy EN15 of the Manchester Core Strategy (2012).

4) a) Recruitment of local labour shall be carried out in accordance with the Local Labour Agreement prepared by Assured CMS Ltd received by the City Council, as Local Planning Authority, on the 21 February 2023 and KPI table received by the City Council, as Local Planning Authority, on the 14 April 2023 as approved under CDN/23/0123.

(b) Within one month prior to construction work being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

5) (a) A phased programme and methodology of investigation and recording shall be carried out in accordance with the Written Scheme of Investigation (WSI) produced by Salford Archaeology received by the City Council, as Local Planning Authority, on the 21 February 2023 as approved under CDN/23/0123.

Prior to the first use of the development, the following shall be submitted for approval in writing by the City Council, as Local Planning Authority.

(b) A programme for post investigation assessment to include:

- production of a final report on the investigation results

(c) Deposition of the final report with the Greater Manchester Historic Environment Record.

(d) Dissemination of the results of the archaeological investigations commensurate with their significance.

(e) Provision for archive deposition of the report and records of the site investigation.

(f) Nomination of a competent person or persons/organisation to undertake the works set out within the approved WSI.

Reason: To record and advance understanding of heritage assets impacted on by the development and to make information about the heritage interest publicly accessible pursuant to policy EN3 of the Manchester Core Strategy (2012), saved policy DC20 of the Unitary Development Plan for the City of Manchester (1995) and the NPPF.

6) The drainage strategy shall be implemented in accordance with the Drainage Strategy Note (June 2023) prepared by Eckersley O'Callaghan. received by the City Council, as Local Planning Authority, on the 6 July 2023 and further drainage details received by the City Council, as Local Planning Authority, on the 27 October 2023 as approved under CDN/23/0466.

(b) The development shall then be constructed in accordance with the approved details and be in place prior to the first use of the development.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).

7) The ground conditions and remediation shall be carried out in accordance with the Phase II Geo-Environmental Site Investigation Report (March 2023) prepared by Eckersley O'Callaghan received by the City Council, as Local Planning Authority, on the 6 July 2023 and Gas Monitoring Certificate received by the City Council, as Local Planning Authority, on the 27 October 2023 as approved under CDN/23/0466.

Once approved, the development shall then be carried out in accordance with the approved details.

(b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority prior to the first occupation of the development.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - There is evidence of site contamination at the application site which requires further consideration and examination. In particular, details of outstanding gas monitoring is required to be submitted for consideration and an appropriate remediation strategy prepared. This is pursuant to policy EN18 of the Manchester Core Strategy (2012).

8) The construction management of the development shall be carried out in accordance with the Site Waste Management Plan, Dust and Noise Management Plan and CEMP received by the City Council, as Local Planning Authority, on the 14 April 2023, Email from Joe McElhone dated 20 April 2023 and Traffic Management Plans received by the City Council, as Local Planning Authority, on the 21 April 2023 as approved under CDN/23/0123.

The development shall be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents, highway safety and air quality, pursuant to policies SP1, EN9, EN16, EN19 and DM1 of the Manchester Core Strategy (July 2012).

9) (a) The demolition works shall be carried out in accordance with Framework Construction Environmental Management Plan and condition 12 discharge request 'Structural engineering strategy' prepared by Eckersley O'Callaghan received by the City Council, as Local Planning Authority, on the 21 February 2023 as approved under CDN/23/0123.

(b) The main development shall be carried out in accordance with the Construction Environment Framework Plan and Construction Phase Plan (June 2023) prepared by Assured CMS received

by the City Council, as Local Planning Authority, on the 6 July 2023, DEA-EOC-XX-00-DR-S-1000, DEA-EOC-XX-XX-SP-S-0001 and DEA-EOC-XX-XX-SP-S-0002 received by the City Council, as Local Planning Authority, on the 16 August 2023 and Installation report and piling mat certificate received by the City Council, as Local Planning Authority, on the 22 August 2023 as approved under CDN/23/0466.

The approved CMP shall be adhered to throughout the development.

Reason: To safeguard the amenities of the locality and to ensure that the developer complies with all the necessary system clearances and agrees safe methods of working to meet the safety requirements of working above and adjacent to the Metrolink system pursuant to policy SP1 and DM1 of the Manchester Core Strategy (2012).

10) (a) The materials programme is approved in accordance with the Materials Schedule (June 2023) prepared by SimpsonHaugh & Partners received by the City Council, as Local Planning Authority, on the 15 January 2024.

(b) The materials panel shall be submitted for approved in line with (part a) of this condition in line with the timescales previously agreed.

The approved materials shall then be implemented as part of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

11) Vegetation clearance shall be carried out in accordance with - Preliminary Roost Assessment for Bats and Nesting Birds received by the City Council, as Local Planning Authority, on the 21 February 2023 as approved under CDN/23/0123.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy (2012).

12) (a) The structural designs/surveys for the demolition works shall be carried out in accordance with Condition 12 discharge request 'Structural engineering strategy' prepared by Eckersley O'Callaghan received by the City Council, as Local Planning Authority, on the 21 February 2023 as approved under CDN/23/0123.

(b) The structural designs/surveys for the main development shall be carried out in accordance with Construction Environment Framework Plan and Construction Phase Plan (June 2023) prepared by Assured CMS received by the City Council, as Local Planning Authority, on the 6 July 2023, DEA-EOC-XX-00-DR-S-1000, DEA-EOC-XX-XX-SP-S-0001 and DEA-EOC-XX-XX-SP-S-0002 received by the City Council, as Local Planning Authority, on the 16 August 2023, Installation report and piling mat certificate received by the City Council, as Local Planning Authority, on the 22 August 2023, Structural Drawing pack prepared by Eckersley O'Callaghan Ltd and a Construction Environment Framework Plan (June 2023) including a Structural Monitoring Summary prepared by Assured CMS and Mabeyhire Ltd received by the City Council, as Local Planning Authority, on the 6 July 2023 and Vibration monitoring reports and other reports received by the City Council, as Local Planning Authority, on the 16 August 2023 as approved under CDN/23/0466.

The approved strategy shall be adhered to throughout the development.

Reason: To safeguard Metrolink infrastructure pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

13) Prior to the first occupation of the development, details of the implementation, maintenance and management of the sustainable drainage scheme shall be submitted for approval in writing by the City Council, as Local Planning Authority.

For the avoidance of doubt this shall include:

- Verification reporting providing photographic evidence of construction;
- Management and maintenance plan for the lifetime of the development which shall include the arrangements adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Reason - To manage flooding and pollution and to ensure that a managing body is in place for the sustainable drainage system and there is funding and maintenance mechanism for the lifetime of the development pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).

14) (a) Notwithstanding landscaping strategy included within the design and access statement stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, prior to the first occupation of the aparthotel element of this development, details of hard and soft landscaping treatments (including tree planting, street tree planting and boundary treatments) shall be submitted to and approved in writing by the City Council as local planning authority.

(b) The approved scheme shall be implemented prior to the first occupation of the aparthotel element. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

15) The development hereby approved shall be carried out in accordance with the Environmental Standards and energy statement prepared by JH Partners stamped as received by the City Council, as Local Planning Authority, on the 11 May 2020. For the avoidance of doubt the development shall achieve minimum of 22% above Part L 2010.

A post construction review certificate/statement shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

16) The development hereby approved shall be carried out in accordance with the BREEAM pre-assessment prepared by Sustainably Built Ltd stamped as received by the City Council, as

Local Planning Authority, on the 8 January 2020. For the avoidance of doubt the aparthotel element shall achieve minimum Very Good Rating.

A post construction review certificate/statement shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

17) Notwithstanding the noise and vibration section (including appendices) of the ES stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, prior to the first use of the aparthotel hereby approved, details of any externally mounted ancillary plant, equipment and servicing shall be submitted for approval. For the avoidance of doubt, externally mounted plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5 db (L_{aeq}) below the typical background (L_{a90}) level at the nearest noise sensitive location.

(b) The approved scheme shall be implemented and prior to the first use of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason - To minimise the impact of plant on the occupants of the development pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

18) Notwithstanding the noise and vibration section (including appendices) of the ES stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, prior to the first use of the commercial unit, as shown on drawing 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024, prior to the first use of each commercial unit development hereby approved, details of any externally mounted ancillary plant, equipment and servicing shall be submitted for approval. For the avoidance of doubt, externally mounted plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5 db (L_{aeq}) below the typical background (L_{a90}) level at the nearest noise sensitive location.

(b) The approved scheme shall be implemented and prior to the first use of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason - To minimise the impact of plant on the occupants of the development pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

19) Notwithstanding the noise and vibration section (including appendices) of the ES stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, (a) prior to the first use of the commercial units as indicated on drawing 10185-SHP-Z1-00-PL-A-B5D8-G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024, a scheme of acoustic insulation of each commercial unit shall be submitted be submitted for approval in writing by the City Council, as Local Planning Authority.

Where entertainment noise is proposed the L Aeq (entertainment noise) shall be controlled to 10dB below the L A90 (without entertainment noise) in each octave band at the facade of the nearest noise sensitive location, and internal noise levels at structurally adjoined residential properties in the 63Hz and 125Hz octave frequency bands shall be controlled so as not to exceed (in habitable rooms) 47dB and 41dB, respectively.

Where an A3 use is proposed, the scheme proposed shall normally include measures such as acoustic lobbies at access and egress points of the premises, acoustic treatment of the building structure, sound limiters linked to sound amplification equipment and specified maximum internal noise levels.

(b) The approved scheme shall be implemented and prior to the first use of the hotel, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason - In order to limit the outbreak of noise from the commercial premises pursuant to policies SP1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

20) Notwithstanding the noise and vibration section (including appendices) of the ES stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, prior to the first use of the aparthotel, (a) a scheme for acoustically insulating the proposed accommodation against noise from Deansgate and Trafford Street shall be submitted for approval in writing by the City Council, as Local Planning Authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises and the Metrolink Line.

Noise survey data must include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The following noise criteria will be required to be achieved:

Bedrooms (night time - 23.00 - 07.00)	30 dB L Aeq (individual noise events shall not exceed 45 dB L Amax,F by more than 15 times)
Living Rooms (daytime - 07.00 - 23.00)	35 dB L Aeq

(b) The approved scheme shall be implemented and prior to the first use of the hotel, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance pursuant to policies SP1, H1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

21) The waste management strategy for the aparthotel and the commercial unit shall be carried out in accordance with drawing 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024 and the waste management strategy outlined within the Design and Access statement stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020. The approved scheme shall be implemented prior to the first use of the hotel and the commercial unit and thereafter be retained and maintained in situ for as long as the development remains in use.

Reason - To ensure adequate refuse arrangement are put in place for the development pursuant to policies EN19 and DM1 of the Manchester Core Strategy.

22) Prior to the first use of the commercial unit, as indicated on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03, received by the City Council, as Local Planning Authority, on the 15 January 2024, details of a scheme to extract fumes, vapours and odours from the premises shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved scheme shall then be implemented prior to the first occupation of each of the commercial units within each phase and thereafter retained and maintained in situ.

Reason - To ensure appropriate fume extraction is provided for the commercial unit pursuant to policies SP1 and DM1 of the Manchester Core Strategy and saved policy DC10 of the Unitary Development Plan for the City of Manchester (1995).

23) Prior to the first use of commercial unit, as indicated on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03, received by the City Council, as Local Planning Authority, on the 15 January 2024, details of any roller shutters to the ground floor of the premises shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt the shutters shall be fitted internally to the premises. The approved details shall be implemented prior to the first occupation of each of the commercial units and thereafter retained and maintained in situ.

Reason - To ensure that the roller shutters are appropriate in visual amenity terms pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

24) The development hereby approved shall include a building and site lighting scheme and a scheme for the illumination of external areas during the period between dusk and dawn when operational. Full details of such a scheme for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority before the first occupation of the development hereby approved. The approved scheme shall be implemented in full prior to the

first use of the aparthotel element and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using the proposed development in order to comply with the requirements of policies SP1 and DM1 of the Core Strategy.

25) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Core Strategy.

26) When the development is first occupied, deliveries, servicing and collections including waste collections by commercial operators shall not take place outside the following hours:

Monday to Saturday 07:30 to 20:00

Sundays (and Bank Holidays): No deliveries/waste collections

Reason - In the interest of residential amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

27) Prior to the first use of the commercial unit, as indicated on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03, received by the City Council, as Local Planning Authority, on the 15 January 2024, details of the opening hours shall be submitted for approval in writing by the City Council, as Local Planning Authority.

The approved opening hours shall then become the operating hours for the unit (any subsequent permitted changes of use) and shall thereafter be retained and maintained.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

28) Prior to the first use of the development hereby approved, details of the number, siting and appearance of bird boxes at the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall be implemented and be in place prior to the first use of the development hereby approved and shall thereafter be retained and maintained in situ.

Reason - In the interest of providing habitats for birds to improve the ecological value of the application site pursuant to policies SP1 and EN15 of the Manchester Core Strategy (2012).

29) a) Three months prior to the first use of the development by aparthotel guests, a Local Benefit Proposal Framework that outlines the approach to local recruitment for the end use(s), shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved document shall be implemented as part of the occupation of the development.

In this condition a Local Benefit Proposal means a document which includes:

- i) the measures proposed to recruit local people including apprenticeships
- ii) mechanisms for the implementation and delivery of the Local Benefit Proposal
- iii) measures to monitor and review the effectiveness of the Local Benefit Proposal in achieving the objective of recruiting and supporting local labour objectives

(b) Within 6 months of the first use of the development by aparthotel guests, a Local Benefit Proposal which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council, as Local Planning Authority. Any Local Benefit Proposal approved by the City Council, as Local Planning Authority, shall be implemented in full at all times whilst the use is operation.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

30) The commercial unit as shown on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03, received by the City Council, as Local Planning Authority, on the 15 January 2024, shall remain as one unit and shall not be sub divided or amalgamated without the benefit of planning permission being secured.

Reason- In the interests of residential amenity and to ensure the future viability and vitality of the commercial units pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1, C5 and SP1 of the Manchester Core Strategy.

31) The commercial unit as shown on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03, received by the City Council, as Local Planning Authority, on the 15 January 2024, can be occupied as A1 (with the exception of convenience retail), A2, A3, A4 and D2. The first use of the commercial unit to be implemented shall thereafter be the permitted use of that unit and any further change of use may be the subject of the requirement of a new application for planning permission or subject to the requirements of the Town and Country Planning (General Permitted Development) Order 2015.

Reason - For the avoidance of doubt and in order to secure a satisfactory form of development due to the particular circumstance of the application site, ensuring the vitality of the units and in the interest of residential amenity, pursuant policy DM1 of the Core Strategy for Manchester.

32) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) the development hereby approved (with the exception of the commercial unit) shall only be used for an aparthotel (Use Class C1) with ancillary gym and café / restaurant and for no other purpose.

Reason - In the interest of retaining the provision of hotel within the development pursuant to policies SP1 and CC4 of the Manchester Core Strategy (2012).

33) The development of each phase shall be carried out in accordance with the Crime Impact Statement (Version B) prepared by Design for Security at Greater Manchester Police stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020. The development shall only be carried out in accordance with these approved details. The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a Secured by Design accreditation.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

34) The development hereby approved shall be carried out in accordance with the Travel plan framework stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020.

In this condition a Travel Plan means a document which includes:

- i) the measures proposed to be taken to reduce dependency on the private car by those staying at the development;
- ii) a commitment to surveying the travel patterns of guests/staff during the first three months of the first use of the building and thereafter from time to time
- iii) mechanisms for the implementation of the measures to reduce dependency on the private car
- iv) measures for the delivery of specified travel plan services
- v) measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car

Within six months of the first use of the building, a Travel Plan which takes into account the information about travel patterns gathered pursuant to item (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. Any Travel Plan which has been approved by the City Council as Local Planning Authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel for guests and staff, pursuant to policies T1, T2 and DM1 of the Manchester Core Strategy (2012).

35) Prior to the first occupation of the aparthotel element, the provision of 32 cycle spaces (internal) and 10 external spaces, as indicated on drawing 10185-SHP-Z1-00-PL-A-B5D8-G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024, shall be implemented prior to the first use of the aparthotel element of the development hereby approved and retained and maintained in situ for as long as the development remains in use.

Reason - To ensure there is sufficient cycles stand provision at the development in order to support modal shift measures pursuant to policies SP1, T1, T2 and DM1 of the Manchester Core Strategy (2012).

36) Prior to the first use of the aparthotel element within of the development hereby approved, a scheme of highway works and details of footpaths reinstatement/public realm in relation to shall be submitted for approval in writing by the City Council, as Local Planning Authority.

For the avoidance of doubt this shall include the following:

- Footway improvement and reinstatement works around the perimeter of the application site including tactile paving and dropped kerbs;
- Resurfacing of Century Street;
- Creation of a loading bay and disabled bay on Trafford Street;
- Installation of street trees to Deansgate.

The approved scheme shall be implemented and be in place prior to the first use of the aparthotel element of the development hereby approved and thereafter retained and maintained in situ.

Reason - To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

37) Notwithstanding the TV reception survey, stamped as received by the City Council, as Local Planning Authority, on the 8 January 2020, within one month of the practical completion of the development or before the aparthotel element of the development is first occupied, whichever is the sooner, and at any other time during the construction of the development if requested in writing by the City Council as local planning authority in response to identified television signal reception problems within the potential impact area a study shall identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out above. The measures identified must be carried out either before the building is first occupied or within one month of the study being submitted to the City Council as local planning authority, whichever is the earlier.

Reason - To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception - In the interest of residential amenity, as specified in policy DM1 of Core Strategy.

38) Prior to the first use of the aparthotel hereby approved a signage strategy for the building shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall then be implemented and used to inform any future advertisement applications for the building.

Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

39) Prior to the first use of the commercial units, as indicated on drawing 0185-SHP-Z1-00-PL-A-B5D8- G200- 0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024, a signage strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved strategy shall then be implemented as part of each phase of the development.

Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

40) Prior to the first use of the aparthotel, details of the wind mitigation scheme, for the introduction of the screen to the viaduct, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall be implemented and be in place prior to the first use of the aparthotel and thereafter retained and maintained.

Reason - In the interest of visual amenity and to secure the appropriate wind mitigation measures pursuant to policy DM1 of the Manchester Core Strategy (2012).

41) Prior to the first use of the aparthotel elements of the development hereby approved, details of the doorways to the ground floor entrances of building, showing them opening inwards, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented prior to the first use of the development and thereafter retained and maintained for as long the development remains in use.

Reason - To provide a satisfactory pedestrian environment pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

42) In the event that the commercial unit, as indicated on drawings 10185-SHP-Z1-00-PL-A-B5D8- G200-0001_Rev 03 and 10185-SHP-Z1-0M-PL-A-B5D8- G200-0001_Rev 03 received by the City Council, as Local Planning Authority, on the 15 January 2024, is occupied as an A3 use, prior to its first use the following details must be submitted and agreed in writing by the City Council, as Local Planning Authority. These details are as follows:

- Management of patrons and control of external areas. This shall include:
- Dispersal policy;
- Mechanism for ensuring windows and doors remain closed after 9pm

The approved scheme shall be implemented upon first use of the premises and thereafter retained and maintained.

Reason - To safeguard the amenities of nearby residential occupiers as the site is located in a residential area, pursuant to policies SP1, DM1 and C10 of the Manchester Core Strategy and to saved policy DC26 of the Unitary Development Plan for Manchester.

43) All windows at ground level, unless shown otherwise on the approved drawings detailed in condition 2, shall be retained as a clear glazed window opening at all times and views into the premises shall not be screened or obscured in any way.

Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street-scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy

44) The development hereby approved shall include for full disabled access to be provided to all areas of public realm and via the main entrances and to the floors above.

Reason - To ensure that satisfactory disabled access is provided by reference to the provisions Core Strategy policy DM1.

45) Prior to the first use of the aparthotel hereby approved, a review of the pedestrian and cycling environment at the Trafford Street junction with Deansgate shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall provide details on the current pedestrian and cycling environment including surfaces, quality of crossing points and adequacy of the visibility and safety between footways together with measures to improve the junction should it be determined necessary. Any approved mitigation as part of this review shall be implemented prior to the first use of the aparthotel.

Reason - In the interest of pedestrian and highway safety pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).
