Part 2 – Particulars of decision

Manchester City Council gives notice that prior approval is required and has been **refused** for the details of the application referred to in Part 1 for the following reason(s):

1) The City Council is not satisfied that this development has been sited and designed to minimise the impact upon visual amenity. The proposed telecommunication installation by reason of its height, siting and appearance, would be unduly harmful to the character and visual amenity of the surrounding area. The proposed telecommunications equipment would therefore be contrary to policies DM1 and SP1 of the Manchester Core Strategy (2012), saved policy DC17.1 of the Unitary Development Plan for the City of Manchester (1995) and the National Planning Policy Framework (NPPF).

Date: 30 July 2026
