Good afternoon [REDACTED],

Thank you for your email,

Sorry I thought I was sending that to the correct place, I would be very grateful if you could pass this on to the local ward councillors and the executive member of planning and any one else that might be relevant.

Thank you

Dear [REDACTED]

Thank you for your email.

Unfortunately, Cllr Garry Bridges isn't the ward councillor for Crumpsall and does not have responsibility for planning under his remit as Deputy Leader.

However, I'm happy to pass your email on to the Crumpsall ward councillors with your permission? Alternatively, I can pass your email on to the Executive Member with responsibility for planning.

Kind regards

Hi,

I'm writing to object to the plans to turn Westwood Nursing Home into a primary school.

I live locally and I'm really concerned about what this will mean for traffic and parking in the area. Crumpsall Lane is already very busy, and Ansleigh Avenue is always full of parked cars. I don't think the surrounding roads can cope with even more vehicles at school drop-off and pick-up times.

I'm also concerned that the site visit is taking place during the summer holidays. Although Ansleigh Avenue will still be full of parked cars, councillors won't see what the area is really like during a normal school term when there are lots more cars and people around because of the existing schools nearby.

I know this school is intended for children with additional needs, and I completely support giving those children the best education possible. My concern is simply whether this is the right location and whether the roads and parking are suitable for the extra traffic the school will bring.

I hope these concerns are taken into account before any final decision is made.

Thank you for your time.

Kind regards,
