Dear Councillor

I am writing to you in support of the planning application 143452/FO/2025.

As the parent of a child attending the school, I have first-hand experience of how the school operates every day.

From my experience, many families walk to school because they live locally, while others share transport or make alternative arrangements. The school places a strong emphasis on considerate parking and regularly reminds parents to respect neighbouring residents and avoid causing unnecessary inconvenience.
For this reason, I do not believe the proposal will create the level of traffic, parking or noise impact suggested in some of the objections.

I believe this proposal will provide outstanding educational facilities for local children and will be a valuable asset to the wider community. In my opinion, the site is well suited for a school, with the space and infrastructure needed to provide a safe and well-managed learning environment.

I respectfully ask you to support this planning application.

Thanks very much
