Informatives

BS 3998:2010 Tree Standard Work

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998:2010 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

It is recommended that mulching the boundary trees is carried out, significantly helping to retain moisture and soil fertility around the trees
