Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

b) Designated sites, important habitats or other biodiversity features

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

c) Features of geological conservation importance

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

⊘ Yes
◯ No

Please provide the pre-development biodiversity value of onsite habitats on the date of calculation

1.27

Please provide the date the onsite pre-development biodiversity value was calculated

30/07/2026

This should be either the date of the application, or an earlier proposed date

If an earlier date, to the date of the planning application, has been used, please provide details why this date has been used

When was the version of the biodiversity metric used published?

12/02/2024

This should be the date listed as the publication date for the version of the metric tool you have used. This can be found on the initial view or the 'Version history' tab of the metric tool spreadsheet.

Please provide the reference or supporting document/plan names for the:
i. Biodiversity metric calculation
ii. Onsite irreplaceable habitats (if applicable)
iii. Onsite habitats existing on the date of the application for planning permission (if applicable)

Document/Plan:
Biodiversity metric calculation

Document name/reference:
The Statutory Biodiversity Metric 1.0.4

You must supply a complete biodiversity metric calculation with your application. Plans must be drawn to an identified scale, and show the direction of North.

Has there been any loss (or degradation) of any onsite habitat(s), resulting from activities carried out before the date the onsite pre-development biodiversity value was calculated. Either:
- on or after 30 January 2020 which were not in accordance with a planning permission; or
- on or after 25 August 2023 which were in accordance with a planning permission?

◯ Yes
⊘ No

Does the development site have irreplaceable habitats (corresponding to the descriptions in Column 1 of the Schedule in the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations (2023)) which are:
i. on land to which the application relates; and
ii. exist on the date of the application for planning permission, (or an earlier agreed date)

◯ Yes
⊘ No

Foul Sewage

Please state how foul sewage is to be disposed of:

Details of the pre-application advice received

A series of pre-application meetings were held between 1 November 2024 and 1 July 2026, the content of which are summarised below:

- 1 November 2024 (Pre-Application Meeting 1) – Initial concept proposals presented; MCC confirmed support for residential redevelopment in principle, subject to robust justification for any increase in development quantum and the delivery of a high-quality scheme.

- 12 December 2024 (Pre-Application Meeting 2) – Revised proposals incorporating additional amenity and public realm were discussed; MCC requested improvements to the Ellesmere Street frontage and further consideration of the relationship with Vox.

- 18 September 2025 (Pre-Application Meeting 3) – Updated massing proposals were presented, including a reduced building height adjacent to Vox and a taller tower at the north-west corner; MCC supported the general approach and sought further refinement of the tower design.

- 18 November 2025 (Pre-Application Meeting 4) – A revised 45-storey tower and reconfigured site layout were reviewed; MCC welcomed the taller landmark building approach and advised simplification of the façade design.

- 25 February 2026 (Pre-Application Meeting 5) – The final 46-storey tower design and material palette were presented; MCC expressed support for the overall design approach, subject to clarification of certain façade materials and colours.

- 1 July 2026 (Pre-Application Meeting 6) – Public consultation outcomes and resulting design amendments were reviewed with MCC, including responses to comments on the height, scale and materiality of the proposed development.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
